

WAYS TO HELP

Invite your family, friends, neighbors, co-workers, and those in your community to take part in *A Walk to Remember*. They too can help SHARE continue its mission of touching lives, healing hearts, and providing an angel garden to serve as a place of remembrance and hope. Registrations and donations can be mailed, faxed, or submitted online. Tax acknowledgement letters will be sent directly to your supporters. Be sure supporters note the name of the baby in whose memory they are walking or donating, so that the memorial funds can properly include their names.

HOW DOES OUR GARDEN GROW

The theme for this year's Walk is "*Hope Grows*" to coincide with the dedication of the *Wings of Hope* Angel Garden at Edward Hospital in June 2010. *Hope* has truly led to the development of the garden and it will continue to help the garden and Walk flourish for many years to come.

A Walk to Remember began in 2005 when four grieving moms united together, *hoping* to make a difference in their precious children's memories. They *hoped* that the Walk would provide families with an opportunity to share their tears with others who have experienced the loss of a wanted and loved baby, to publicly remember their children, and to find *hope* for the future. Funds raised would beautify the existing angel garden at Edward Hospital, providing families with a place that they could visit year-round for moments of remembrance and reflection. After five successful Walk fundraisers, the long hoped-for garden is now a reality.

On behalf of the Walk planning committee, which has grown over the years, it is our *hope* that the garden will be utilized by everyone in our community who has been impacted by the loss of a child. The *Wings of Hope* Angel Garden is your garden and we *hope* that you will treat it as such.

Once the funding of the garden is complete, we have identified plans for future Walk proceeds that revolve around our mission of remembering all children who are no longer with us, supporting and serving families in the wake of the death of a child, providing a safe and comfortable environment for support and growth, and providing funding for various projects that support the Edward Hospital SHARE Program.

With *hope*, this is how our garden will continue to grow.
